by Inspector of Schools, Kolar Dt.
The Panchama school in question
has been in existence only for a
year and in my opinion it is too
early to think of a building. While
there are scores of other schools
with worse insanitary surroundings
the landlord is willing to improve
the building if the rent is enhanced
and it is a question whether the
Secretary Board may not supple-
ment the present rent of Rs 5
given by Govt by Rs 3 or Rs 4
from their own funds. In fair-
ness to the other schools, I am
not in favor of giving a building
grant from the Govt Exchequer
to this school just at present.

NOTE—Contn. sheet.

GPB—50,000—12-8-10

"Note" 9 (a)

No.743 Dated,7th March 1914.

From

The Deputy Inspector of Schools,
Kolar District.

To

The Inspector General of Education in Mysore, Bangalore.

With reference to the Inspector General's docket No.10247/170 of the 12th ultimo informing that a proposal has been made Government by the President of the Sanitary Board, Kolar Gold Fields for the construction of a new building for the accommodation of the Panchama School in Oorigaum, Bowringapet Taluk &c., and requesting the undersigned to submit a detailed report as to why the undersigned proposed the preparation of plan and estimate for a new building although the rent of Rs.5 was sanctioned for the Panchama School, has the honour to report as follows:-

The Village Elementary Panchama School, Oorigaum was started on 4th April 1913 in building No.345 & 746, belonging to Adinarayana Chetty in Oorigaum Village, and the rent of Rs.5 sanctioned for this school has been utilised from that date. Soon after the school was started plague broke out in Oorigaum and a dead rat was found in this building, and the Medical Officer of Health, Kolar Gold Fields who inspected the building recommended in his letter No.914 of 10th April 1913 the closing of the school till either the present building was improved or a better one secured. Thereupon, the Assistant Deputy Inspector of Schools, Kolar South was asked in this office docket No.598 of 26th April 1913 to submit a report on the subject, which he did in his letter No.634 of 2nd May 1913, stating that Adinarayana Chetty, the owner of the condemned building, would not undertake any improvements unless the rent was enhanced and that the Sanitary Board, Kolar Gold Fields may be moved to put up a building of their own for the rent that is now being paid, as no other building better than the one now in use was available. On this, the Medical Officer of Health, Kolar Gold Fields was in this office letter No.702 of 23rd June 1913, requested to move the Sanitary Board

to put up a Sanitary building for this school and he was informed that if necessary a rent of £.5 per month, now being paid to Ambergrams Shetty would be paid to the Sanitary Board. To this he replied in his letter No.1130 of 27th June 1913 that the Sanitary Board had resolved to provide a building for the Ramkrem school and the proposed would in the usual course be laid before Government for sanction. A few days later, the Vice President of the Sanitary Board, Kolar Gold Fields, in his letter No.3851 of 30th June 1913, forwarded a copy of the resolution referred to above and requested that rough sketch showing the requirements of this school may be sent to him. In reply, he was informed in this office letter No. 62 of 4th August 1913 that a room 15' by 12' with suitable arrangements for light and ventilation and with a verandah in front, would suit the purpose of that school. He then be sent a sketch plan for the building for approval, with his letter No.69 of 27th August 1913; and this office returned the sketch plan after approval. In this office letter No.162 of 12th September 1913. Since then there has been no correspondence on this subject between this office and the Sanitary Board. Kolar told it Its.

From this it is plain that no reservation was made by this office for an independent building for the Ramkrem School, Doddpet. All that was asked was a better building put up by the Sanitary Board, for the sanctioned rent of Rs.5 per month, which amount is being disbursed to Adimaryana Shetty, the owner of the building in which the Municipal school is being held from April 1913, the date on which the school was started.

Office of the President,
Kolar Gold Fields Sanitary Board,
Dated Champion Reefs, the 10th November 1913.

From,

P. F. Bowring, Esquire.,
President, Sanitary Board,
Kolar Gold Fields.

To,

K. R. Srinivasiengar, Esquire., M.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

In submitting herewith plan and estimate amounting to Rs 1060/- for the construction of a Panchama School in Oorigam Village together with copies of the Board's resolutions Nos. 9 and 11 at their meetings held on 20th June and 24th October 1913, I have the honour to state that there is, at present, a Kannada Boys School in the said village, which does not provide educational facilities for these backward classes.

A seperate school house for the boys of this community is an absolute necessity and will serve both Oorgaum, Robertsonpet and other colonies adjoining.

As the estimated cost of the building as per proposal of the Deputy Inspector of Schools, Kolar Division, and as per plan approved by him, reaches double what was anticipated by the Board at the onset and as encouragement of Primary Education is one of the objects, the Government have in view in the Educational Department, the Board make bold to propose that half the cost of the school building proposed may be met out of the funds set apart for this purpose.

I request that early sanction of Government may be obtained
